INSPIRATION

"THEMA literary journal has advertised in POETS & WRITERS MAGAZINE since 1988. We learned very quickly that if an author submitting a story or poem states having seen our ad in POETS & WRITERS, the likelihood that the submission will be a good piece of creative writing more than triples. It is where we find the most creative minds."

—VIRGINIA HOWARD, EDITOR, *THEMA*

THE ORGANIZATION

Poets & Writers, Inc., the publisher of *Poets & Writers Magazine*, is a nonprofit literary organization with over forty years of service to writers. By advertising in our magazine and on pw.org, you not only reach a passionate community of writers, you associate your organization with a highly respected authority in the literary world.

MISSION STATEMENT

Poets & Writers' work is rooted in the belief that literature is vital to sustaining a vibrant culture. We focus on nurturing literature's source: creative writers. The mission of Poets & Writers is to foster the professional development of poets and writers, to promote communication throughout the literary community, and to help create an environment in which literature can be appreciated by the widest possible public.

“POETS & WRITERS MAGAZINE has been essential to the growth and success of both our literary journal, ARTS & LETTERS, and our MFA in creative writing program. It is the first place writers look for news about submitting work or applying to graduate programs and other workshops. If you want to expand your audience, P&W is where you begin.”

"Ads in POETS & WRITERS MAGAZINE have helped to define us, to be quite honest. Before we even had books to our name, we advertised in POETS & WRITERS. POETS & WRITERS has given us visibility and credibility. Writers are very aware that we support the publication of our authors' books through marketing. We have a solid footing in the literary community, in great part due to our long-time presence in the pages of POETS & WRITERS."

THE POWER OF COMMUNITY

How Literary Magazines and Small Presses Are Building It on and off the Page

A Social Approach

by Gabriel Cohen

An Interview With Innovative Publisher Richard Nash

BACK in 2001, when he first took over the reins of the Brooklyn, New York-based Soft Skull Press, Richard Nash was so naive about the publishing business that he didn't realize that he was supposed to send galley proofs to reviewers months in advance of the publication date. To be more precise, he didn't even know what a galley

was. By the time he set out to promote the first book under his oversight, Jenny Davidson's *Heridity*, he had gained a better understanding—sort of. “We basically just Xeroxed the manuscript and tape-bound it and sent it to the *New York Times*,” Nash recalls, shaking his head. Amazingly, the paper reviewed the novel.

How did a little indie press manage to

pull off this coup? “I sent a really passionate letter with it,” Nash explains. “It put the lie to every rule we had been told about how book publicity worked, which was the *Times* did not review trade paperback originals—yes, it fucking did—and that you had to have all kinds of fancy stuff that proved that you knew what you were doing.”

That was only the start of Nash's
